

## Easy-Form - "The New Adhesive" Expansion joint

Product code	Description / Width	Thickness mm	Length Metres	Sold in		Number of rolls per Pack	MOQ in packs	
EF050	50mm	10 mm	25 m	Pack		24	1	
EF075	75mm	10 mm	25 m	Pack		15	1	
EF100	100mm	10 mm	25 m	Pack		12	1	
EF125	125mm	10 mm	25 m	Pack		9	1	
EF150	150mm	10 mm	25 m	Pack		8	1	
EF200	200mm	10 mm	25 m	Pack		6	1	
EF250	250mm	10 mm	25 m	Pack		4	1	
EF300	300mm	10 mm	25 m	Pack		4	1	

**Above prices are ex-warehouse**

**Freight Surcharge of \$40.00 on all "foam only" Metro orders**

**24 - 36 hour turnaround time from order to delivery.**

**Continuous roll** - A unique one piece extruded foam with no laminations or joints.

**Closed cell** - non absorbent and impervious to most liquids.

**Crosslinked** - Superior compression and recovery properties vital to ensure a good joint filler.

Benefits:

- \* Cost savings : in material, time and the overall project.
- \* Reduced labour time : due to the ease of installation.
- \* No mess to attend to! (Self-wound and paperless).
- \* Easy to store.
- \* Easy to transport
- \* No release liner

Simply position foam at the starting point, commence unrolling and apply pressure to ensure adhesion - that simple!
